VISION STATEMENT

- Encourage students to embrace enterprise, self-confidence, creativity and social justice in all their endeavours.
- Raise students with the thinking and learning skills that they require in order to continue to learn well after they have left my classroom.
- Promote the virtues of research and scholarly inquiry, so that students can bring important critical thinking skills to their pursuits, both inside and outside the college.
- To create visible and real change in the lives of all students in my classroom, be it cognitive, social, or personal.
