INFORMATION BROCHURE

Success is not a fortunate turn of luck, nor is it an inheritance. Rather, it stems from perspective, passion and practice. All three begin with an engaging education. Yet we don't stop there. We couple it with a multifaceted exposure that's inspiring and dynamic. Together, it makes the spirit of achievement a force that drives you from within.

# VICE CHAIRMAN'S WELCOME

Hello friends,

I am delighted you are considering The Bhawanipur Education Society College for your voyage of discovery and development. We welcome anyone who shares our passion for creating a community that values intellectual rigour and all-round evolution.

Built on our rich heritage and powered by contemporary insights, The Bhawanipur College has for long been the chosen destination in eastern India for youngsters aspiring to careers in Commerce, Arts, Science and Management.

The college offers some of the best academic resources for you to pursue any of these disciplines, with a stellar faculty, modern infrastructure, a well-stocked library and state-of-the-art computer labs. We believe in taking our students beyond the classrooms and into the practical world of cutting-edge competition and innovation to provide a comprehensive education that will hold you in good stead throughout your life.

We seek to instil in our students a quest for excellence, moved by the spirit of humanism and inspired by a genuine sense of diversity. It is our endeavour to enhance every student's potential in their pursuit of a balanced, successful life.

While the college provides a blend of academic, cultural and intellectual resources, it also brings to the students a dynamic environment for holistic development of their personalities, aspirations and talents. The exciting and inspiring Bhawanipur experience becomes a transformational journey when it meets our student community's commitment to growth and excellence.

We hope your time with us will prove extremely enriching and enable you to realise your full potential.

With best wishes,

**Miraj D. Shah**

# ABOUT BESC

The Bhawanipur Education Society College

## 50+ years in pursuit of excellence

The Bhawanipur Education Society College (BESC) was founded in 1966 when a host of visionary men came together to help young India fulfil its aspirations. The college started its journey with less than 100 students. Now, over 4,000 students join the family every year.

Run by the Bhawanipur Gujarati Education Society, BESC is a minority-run institution recognised under Section 2(f) & 12(B) of the UGC Act, 1956, accredited by NAAC and affiliated to the University of Calcutta. BESC was created under Article 30 (1) of the Indian Constitution, which guarantees linguistic minorities, such as the Gujarati-speaking community in Kolkata, the right to establish and administer educational institutions.

With the motto 'Education For Excellence', BESC has now grown into a truly diverse body of students, admitting eligible pupils regardless of linguistic, religious or regional backgrounds.

Since inception, the college has strived to create a space that allows students to accomplish all they set out to achieve. Our three separate shifts of classes through the day allow learners the freedom to explore a career and passions while they work toward their degree.

The college was among the very first to realise the power technology has to create new opportunities. Today, we have one of the most tech-forward campuses in the country.

We have come a long way, yet we haven't lost touch with our founding principles. In keeping with the college slogan, "Learning for Leadership and Liberal Values", the multifaceted exposure you get here, along with the solid academic foundation, will transform you into a confident and more focused individual.

Arts, Commerce, Science and Management—whatever is your chosen field, BESC gives you a firm foundation to realise your true potential and offer you myriad opportunities so you can strive for excellence.

**Vidyamritamshnutey**

**Drinking the Nectar of  
Knowledge**

# Our Vision

Preserving Gujarati cultural and linguistic heritage and ensuring all-round excellence and employability through value-based and value-added education.

# Our Mission

- BESC adopts the best practices and highest quality of teaching through continuous innovation in teaching-learning methods and upgraded infrastructure.
- We nurture pride in cultural and linguistic traditions.
- We hone the innate skills of the students, with a special emphasis on girls, by imparting leadership and entrepreneurship skills through exposure to practical situations and co-curricular activities.
- We equip students to meet life challenges by developing communication skills and strength of personality through industry interface and mentoring.
- We aid the quest for intellectual excellence in teachers and igniting the desire for lifelong learning among students by encouraging research and creativity.
- We develop a healthy cooperation with other institutions engaged in promoting educational excellence.

# Core Values

**Unleashing Potential:** Our aim is to unleash the inherent intellectual, social and emotional capacities of all students who pass through the gates of this institution.

**Student-Centred Initiatives:** We are committed to education and innovation that serves the changing needs of students in a fast-evolving environment and catering to their future career growth in synergy with the needs of society.

**Nurturing Learning for Leadership:** Our endeavour is to foster lifelong learning and nurture intellectual curiosity by integrating teaching, research and skill development so that those graduating from this institution become thought leaders and are aware of their civic duties and the socio-economic challenges of our times.

**Pursuit of Excellence:** We are dedicated to the pursuit of excellence within the campus community, enabled by assessing and rewarding achievements in teaching, research, scholarship, creative activity and service to society.

**Embracing Diversity:** We embrace diversity in all its dimensions and believe that mutual respect and including all within a common sphere of hope and aspiration are vital for both personal and institutional success.

**Service to Humanity:** We support and appreciate the idea of service at all levels and seek to instil this spirit in all associated with us. We strive to contribute positively to society, the state, the nation and the world.

**Upholding Integrity:** High standards of character and integrity are the foundations upon which the institution is built.

# QUALITY

**We, at The Bhawanipur Education Society College, commit to**

- Motivating each student to realise his or her potential.
- Helping them overcome deficiencies.
- Developing their life skills.
- Providing them with a happy campus life in which freedom and discipline co-exist.

**We shall strive to achieve our goals by**

- Constant interface between faculty members, students and their parents.
- Identifying the varying needs of students and taking appropriate academic measures.
- Abiding by all statutory and regulatory requirements.
- Providing students with skills and personality development training to equip them for future challenges.
- Using technology for efficient delivery of services related to the library, admissions, examinations and academic records.

# ADMINISTRATIVE STRUCTURE

“

At The Bhawanipur Education Society College we are committed to providing holistic education that prepares students to take on their future with confidence. To this aim we strive to provide our students with up-to-date infrastructural facilities, well-qualified and dedicated teachers, a modern library along with an array of co-curricular programmes geared for skill enhancement and social awareness. With an inclusive environment that goes beyond the divides of religion, language, class and gender, BESC is truly committed to its mission “Education for Excellence”.

# FACULTY

---

BESC is fortunate to be home to some of the finest teachers in the country. At BESC, a professor is truly coach and mentor to the students. Our 164-member faculty challenges students and shares insights gained through professional and personal experiences. They are supportive in the classroom, active in the community and committed to teaching.

---

“

The faculty truly believes that learning is quintessential for success, whether it is in the classroom or hands-on, practical learning. So, they leave no stone unturned to support and encourage students in their endeavours. I am glad to be a part of the tradition where teachers are willing to go all out and help us make the most of every opportunity.

— Mrigank Agarwal, Batch of 2020

”

# ACADEMICS

## Education For Excellence

At BESC, there is a wide range of academic pursuits and vocations to ignite the spirit of learning. There are 14 undergraduate and 2 postgraduate degree programmes, smart lecture halls, an experienced faculty and a state-of-the-art Knowledge Resource Centre to nurture every learner to their full potential.

“

BESC is the best place for an ambitious person to hone their talent. Beyond academia, it allows you to excel in various co-curricular fields. BESC creates entrepreneurs and thought leaders, not just routine graduates.

— Varsha Kripalani, Batch of 2021

”

# DEPARTMENTS

Arts | Science | Commerce | Management

## ARTS

B.A. (Hons) | M.A. , Arts Section

The Department of Arts & Humanities is where students explore life's big questions. Across six programmes of study with a choice of complementary electives, undergraduate and postgraduate students are nurtured by a committed and eminent team of professors. The Arts department has attained a high standard of academic excellence.

### PROGRAMMES OF STUDY

#### B.A. (Hons) English

Our three-year undergraduate honours programme in English gives you a nuanced understanding of English language and literature. There is a huge demand for young professionals with an excellent command over the English language in various fields and you can gain a competitive edge with additional competency in regional languages with electives like Hindi, Urdu, Gujarati and Bengali. Or opt for complementary electives like History, Political Science and Education.

## B.A. (Hons) Journalism & Mass Communication

Emerge job-ready with our undergraduate programme in Journalism & Mass Communication, which is a well-balanced mix of classroom learning and practical applications. The course equips students with diverse proficiencies in various aspects of mass media and communication through regular seminars, workshops and debates for a more holistic development.

## B.A. (Hons) History

Do the mysteries of the past inspire you to understand them and change the present? Then this is the undergraduate programme for you. Our three-year Honours course covers a wide range of topics in Indian and World History — ancient, medieval and modern — and equips you for a career not just in academics, but also museum sciences, archaeology, government service, journalism, publishing and much more.

## B.A. (Hons) Political Science

Intrigued by world politics? Inspired by the work of political analysts? Our three-year Honours course in Political Science, which covers a range of topics from comparative politics and government to political sociology and international relations, gives you the tools for a career in diverse fields like public administration, rural development and international aid agencies to publishing and journalism.

B.A. (Hons)  
**Sociology**

Gain a better understanding of society and social behaviour with our Honours course in Sociology, which delves deep into the fundamental concepts related to structure and organisation of society and human interactions within these constructs. From global warfare and religious cults to family structure, social class, race and gender, the scope and range of the course gives you a wide opportunity to implement what you learn, whether it is in academia, public policy, social development or journalism, and more.

B.A. (Hons)  
**Bengali**

The demand for young professionals with a strong background in Bengali is rising in industries such as journalism, publishing, advertising, translation, interpretation and tourism. Our Honours course in Bengali equips you for lucrative careers in these fields. With elective options like Education, Journalism & Mass Communication, Sociology, Hindi, Psychology, Film Studies, History, Geography and Political Science to choose from, you can tailor your learning to your interests and career aspirations.

M.A.  
English

The M.A. degree at BESC is an autonomous, two-year postgraduate programme under the University of Calcutta, with a rigorous course structure. It includes English language and literature and covers English literary studies, theories, criticism and pedagogy.

The programme is a combination of modern and ancient English literature with three main areas of focus—prose, poetry and drama. Our course includes literature in English from all over the world including Irish, Scottish, Polish, American and Welsh, as well as India, from early times to contemporary. The course explores cultural, political and historical contexts of English and linguistics in depth and prepares students for teaching and creative writing, as well as journalism, among a host of options.

# SCIENCE

## Bachelor Of Science

### Science Section

The Department of Science at BESC offers an exciting and challenging experience for students in six fields. Alongside Physics, Chemistry, Maths and Economics, there is Computer Science and Electronics to equip students with both the theoretical and practical knowledge and application necessary for excellence in STEM fields.

### PROGRAMMES OF STUDY

#### B.Sc. (Hons) Physics

The three-year undergraduate programme comes with elective options of Mathematics, Electronics, Computer Science and Chemistry (any two). Topics covered include Electrostatics, Wave and Optics, Quantum and Classical Mechanics, Nuclear and Particle Physics and more. With the right combination of electives, this course will not only allow you to explore your interests and discover your strengths but prepare you for a range of careers. Academics, research and development jobs in private and public sectors including space, defence and aeronautical research and atomic energy are all possible future paths.

#### B.Sc. (Hons) Chemistry

We offer a three-year undergraduate honours course in Chemistry with elective combinations like Mathematics, Electronics, Computer Science and Physics (any two). Our degree course gives you a thorough and competitive grounding in the fundamentals of the subject and is the perfect catalyst for higher education and careers in diverse fields ranging from pharmaceuticals to food sciences.

## B.Sc. (Hons) Mathematics

Mathematics is a crucial area of study for a future in academia or the professional sector such as finance, engineering and IT. Our Honours programme gives you a strong foundation in the fundamentals and covers a wide range of topics including Classical, Modern, Linear and Vector Algebra, Vector and Tensor Calculus, Linear Programming and Game Theory, Analytical Statics and Dynamics, Hydrostatics and Rigid Dynamics, Probability, Statistics and more. It will equip you with analytic, problem-solving and logical-thinking skills essential in today's world.

---

## B.Sc. (Hons) Computer Science

With world-class instruction based on expert real-world knowledge and a balance of theoretical and practical specialisations, the three-year degree in Computer Science provides you with a firm foundation in the subject. At BESC, the approach is enjoyable and accessible to equip you for employment across various professional sectors.

---

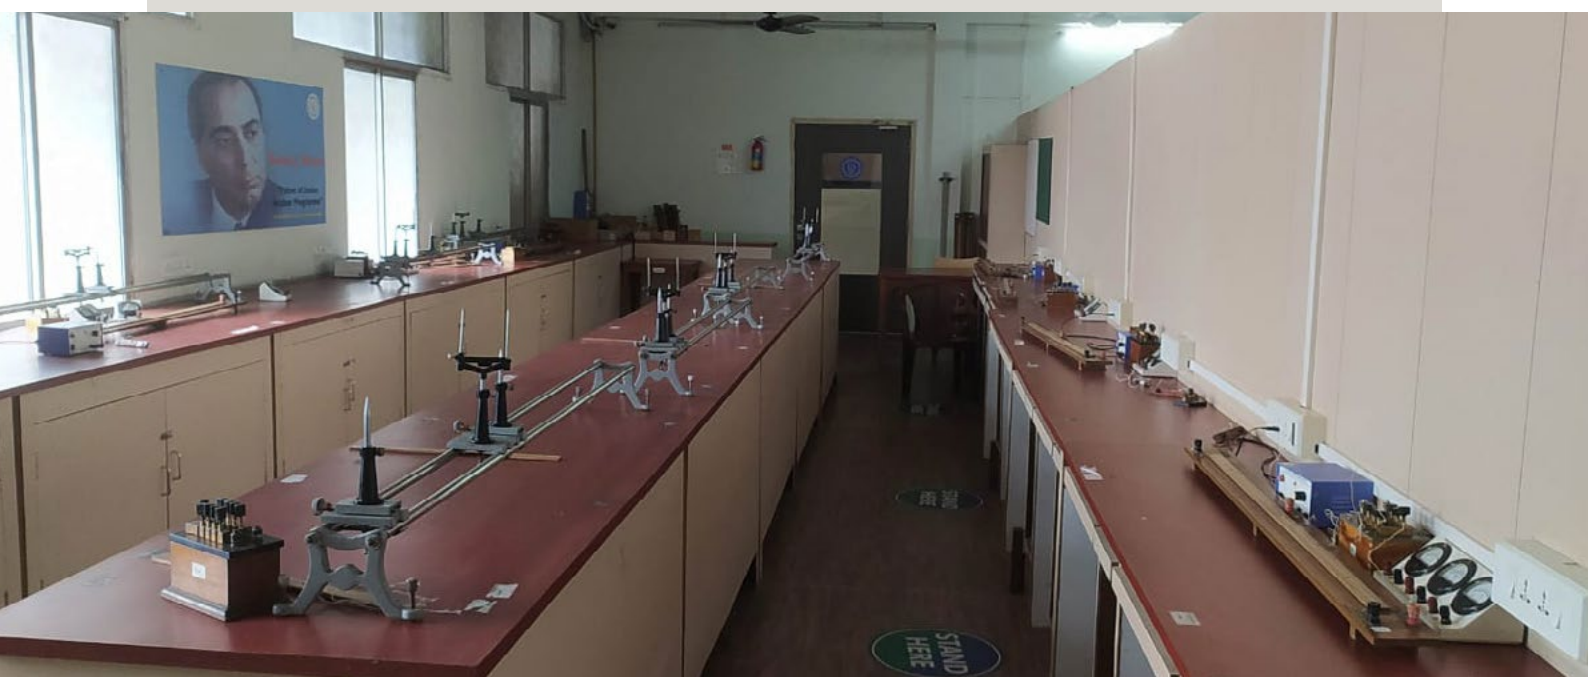

## B.Sc. (Hons) Economics

From the micro to the macro, theory to application, the undergraduate honours degree in Economics at BESC gives you the foundation for a career in far-ranging fields like academics, public policy and journalism. Covering a wide range of topics, including Macroeconomics, Microeconomics, Development Theory, Indian and International Economy, Econometrics and Applied Economics, our modules give you a strong and competitive understanding of the discipline.

---

## B.Sc. (Hons) Electronics

The B.Sc. in Electronics covers topics like Engineering Materials, Digital Electronics, Analog Electronics, Data Structure, Programming Languages, Quantum Mechanics, Mathematics, Statistics, Network Analysis, Fundamentals of Electronics and Electromagnetics. The programme prepares students for challenges in the electronics and communication industry by equipping them with strong analytical and problem-solving skills.

# COMMERCE

B.Com | M.Com

## Commerce Department

The BESC Commerce programme offers students a well-rounded educational experience, with stimulating courses and exceptional mentorship from a team of committed professors. Every year, BESC's Commerce department is infused with students driven to pursue academic excellence alongside hands-on experience. It is a rich and rewarding learning environment.

## PROGRAMMES OF STUDY

### B.Com (Hons) Bachelors in Commerce

BESC's undergraduate degree in commerce is one of our most rigorous courses. The degree provides students with a wide range of managerial skills and builds competence in particular areas of business. Besides their major, students of the programme are exposed to general business principles with courses in Accounting, Finance, Business Management, Human Resources, (Business) Statistics, Marketing and Economics.

Specialisations offered: Accounting & Finance | Marketing | Taxation | Computer Applications & E-Business

### M.Com Masters in Commerce

The M.Com degree at BESC is an autonomous, two-year postgraduate programme under Calcutta University with a rigorous course structure comprising four semesters.

Examination marksheets are issued by the college. Each successful candidate is awarded the Master in Commerce degree in the form of a certificate stating his/her area of specialisation, the year of passing and the class in which he/she was placed, endorsed by the Vice-Chancellor of the University of Calcutta.

# BUSINESS ADMINISTRATION

## Department Of Business Administration

The popular B.B.A. course makes our Department of Business Administration one of the best places for students who aspire to hit the ground running in the corporate world. With its contemporary course structure, Business Administration has become one of our most sought-after department.

## B.B.A. (H) Business Administration

Get the best training to become a business leader of tomorrow with our popular Bachelor of Business Administration course. It covers a wide range of topics: Business Economics, Mathematics, Accounting, Statistics, Principles of Management, Organisational Behaviour, Human Resource Management, Production and Materials Management, Sales, Marketing and Financial Management and more. The programme equips you with skills needed to work in large corporations as well as your own entrepreneurial ventures.

Specialisations offered: **Marketing | Finance | HR | Management of Global Business**

*\* For detailed course curriculum & eligibility criteria check the college website*

# Beyond The Classroom

## Shaping Careers

College life isn't just about book learning. There are a host of skills to be gained outside the classroom that contribute to future success. BESC's diverse peer group is active on all fronts, with extracurricular activities such as sports, cultural fests, international debates, guest talks, industrial visits and internships on the roster. At BESC, you will find others who share your passions and you will have access to a platform to explore and excel in them together.

## Career Connect

### Where Industry and Academia Meet

BESC believes in preparing students for a world outside the protective cocoon of campus. That's why it has developed the Career Connect programme. It offers 14 short-term courses to provide students an opportunity to “see-feel-learn-earn”. Through these, they learn by example and excel through experience. It includes interactive sessions with industry experts and hands-on training through field visits so that the transition from campus to workplace is seamless.

- **Certified Courses:** Certificates will be given based on a dynamic evaluation process
- **Placement Assistance:** Help with placement will be provided upon successful completion of the course
- **Attendance:** Attendance is compulsory in order to receive a certificate
- **Open To All:** Career Connect courses are open to all students—BESC and external

“

BESC provides specific courses that are career oriented and helped me gain specific, work-oriented knowledge about digital growth in financial and accounting sectors apart from exposing me to a number of related areas that are aimed at ensuring my success in my chosen field of specialisation.

— Nandita Pandey,  
Batch of 2021

”

## Commerce+

Commerce Plus seeks to liberate students from the shackles of inward-looking curriculum by exposing them to real-life learning. Interactions with thought leaders from their respective domains, visits to the shop floor and practical work give students the opportunity to develop proficiency in domains they will need as members of the workforce. In the three years since its inception, 200 students have successfully completed the course. In that time, learners interacted with experts from industry, visited factories and organised corporate seminars and workshops.

A big thank you Commerce+ for helping me transition from just another university student to an entrepreneur in the making. Today, I am not only well-read, I know! On a scale of 1 to 10, I rate the course a perfect 10!

— Swati Tiwari, Third Year, B.Com

Certified Financial Planner is one of the fastest growing careers in the world, with 20-plus countries exhibiting a demand-supply gap. This makes a certificate holder much sought after. This course and its process moves like a well-oiled machine. Sincere thanks to BESC for all the help and assistance.

— Garima Lahoti, First Year, B.Com

## Certified Financial Planner

The Certified Financial Planner Certification course is the most prestigious and internationally accepted financial planning qualification. In an era of super-specialisation, this certification equips aspirants for a lucrative career in comprehensive financial advisory services.

CFPCM Certification awarded by the Financial Planning Standards Board Ltd India (FPSB India) has been accredited by NISM under Regulation 7(2) of Securities and Exchange Board of India (Investment Advisers) Regulations, 2013. It is the highest level of certification in financial planning, with over 1,70,000 CFPCM Certificants. It's widely respected by consumers, professionals and industry and presents opportunities worldwide, with recognition in 26 countries.

## Dynamics of Capital Market

This certificate course equips participants with tools and techniques of investment in the capital market. It introduces them to the basics of fundamental analysis, technical analysis and derivatives. It teaches company and industry analysis, market dynamics affecting company price movements and opens up opportunities for wealth creation. With both theoretical and practical inputs, the course, taught by leading experts in the capital market, prepares students to invest and trade, keeping in mind the risk appetite and return expectations of an investor.

“

The stock market is the barometer of the economy and the Dynamics of Capital Market course taught me its finer nuances, such as scrip prices. An exciting course that makes the potential to earn money seem secondary!

— Aditi Sinolia, Fourth Semester, B.Com

”

## E-Learning

Microsoft Certifications open doors in your career and play a pivotal role in operating businesses across the globe. Its flexible applications provide employees in sales, marketing, service, operations and commerce with real-time insights to track on the go and collaborate while ensuring the data is securely democratised.

“

This course was very interesting and thought-provoking. The content was useful and concise and has great practical application. The programme has been a great value addition.

— Khushali Gandhi, Sixth Semester, B.Com

”

“

The Cyber Security course has given me the knowledge to counter online evil and provides a base if I want to pursue a career in ethical hacking.

— Sneha Lama, Second Semester, B.Com

## Cyber Security

This training programme provides knowledge and skills to protect information assets. This class immerses students in an interactive environment where they will gain a fundamental understanding of computer and network security threats such as identity theft, credit card fraud, phishing scams, virus and backdoors, email hoaxes, sexual predators, loss of confidential information, hacking attacks and social engineering. The skills learned will help students mitigate their security exposure and provide a solid base for a career in the corporate world.

”

“

I had difficulties structuring my thoughts before I joined the Corporate Communication course. Now I feel well equipped. Thank you BESC, for helping me master the art of articulation!

— Nikita Mittal, Sixth Semester, B.A.

”

## Corporate Communication

Corporate, business and brand voices are all trying to communicate with employees, consumers and other stakeholders. This course helps participants master effective and persuasive communication, whether it is written, spoken or non-spoken, both internal and external.

## Branding and Marketing

There are countless products in the market today being sold by countless brands. Every business wants to be the customer's first choice. What helps businesses differentiate their product from the rest is how they position their brand. Gain branding and marketing insights to help build top strategies to grow your business.

## SAP ERP

The SAP Enterprise Resource Planning (ERP) platform helps large organisations streamline their processes across each segment of their business, from sales to financial accounting. The course covers key concepts within SAP ERP and shares valuable tips to help participants use this enterprise software effectively.

## Working with GST

This course, taught by domain experts, covers the practical aspect of GST and topics such as registration, returns, payments, composition scheme, reverse charge mechanism, credit and more. Students will learn the basics of GST, important terminology and concepts, applicability and impact. Through this module, students will gain basic theoretical knowledge and practical implications about the regulations for any business.

“

Even before the GST debate had settled, we were through with this comprehensive Working with GST course—another knockout by BESC! We had employers queueing up to take us onboard once we were GST-compliant and armed with the Bhawanipur stamp of approval.

— Devdeep Pramanik, Second Semester, B.Com

”

## Tally ERP 9

This course provides in-depth knowledge of the accounting software Tally to help meet the needs of industry. It not only teaches the concepts but also helps participants learn how they can implement them in day-to-day accounting practice.

“

The course is really helpful in giving an understanding of the fundamentals and basics of Tally, laying a foundation for better understanding of accounting principles and its applications.

— Varsha Kripalani, Sixth Semester, B.Com

”

## Digital Marketing

Digital marketing is a fast-growing frontier. With an effective digital presence becoming imperative for companies to interact with their target audience in real time, the course takes students through each of the different platforms and teaches them the skills necessary for each. The insights gained help whether you are interested in a marketing career or are looking at enhancing your own business platform.

“

This helped me understand customer behaviour online. The course is an overview of the latest digital marketing skills, taught by industry experts.

— Jinal Kothari, Fourth Semester, B.Com

”

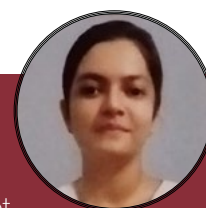

## G SUITE

Access the best of Google's training and tools to enhance skills, career and business, and properly help deploy and manage G Suite for an organisation. Get the most out of Google Workspace by learning what's in it, from business email and online file storage to shared calendars and video meetings. With training guides, tips, customer examples and other resources by leading experts, this course teaches participants Google's best practices for deploying G Suite.

“

Whether you are working at your desk—or from your smartphone or tablet on-the-go—G Suite helps you organise, analyse and share your most important data. I have always worked with Google Sheet, but this course gave me better knowledge about it.

— Kaushiki Mitra, Second Semester, B.Com

”

## Data Analytics

It has been estimated that 2.5 quintillion bytes of data are being generated every single day. To process this, we need more effective algorithms. This is made possible by the application of data analytics. Data analytics is the application of structured, statistical and mathematical techniques on data in order to detect underlying patterns as well as make predictions. Power ahead in your career with industry-ready data science skills.

“

Taking the ACCA course at BESC is like giving your career a booster shot from the comfort of your campus—all while you're pursuing your regular degree programme. Trust BESC to give it to you on a platter!

— Gaurav Killa, Fourth Semester, B.Com

## ACCA

ACCA (Association of Chartered Certified Accountants) is the global body for professional accountants. ACCA aims to offer business-relevant, first-choice qualifications to people of application, ability and ambition around the world, who seek a rewarding career in accountancy, finance and management.

”

# INFRASTRUCTURE

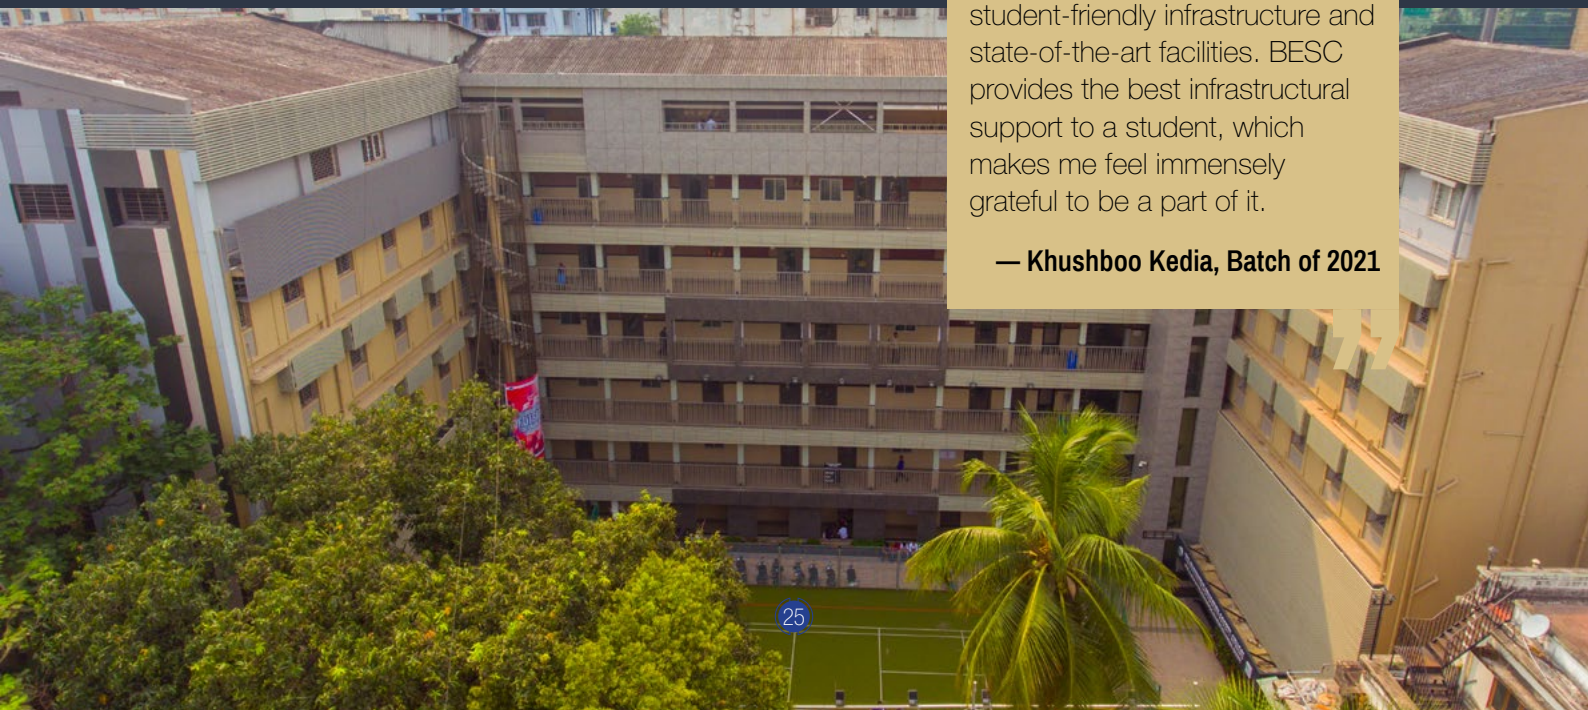

The BESC campus is a connected space that has everything students and faculty need to pursue their study and passions at the highest level. The Wi-Fi-enabled, temperature-controlled campus has smart classrooms, a 5,000 sq. ft library, an indoor sports arena, an artificially turfed central court, several auditoriums and a popular canteen. The state-of-the-art campus is always alive, always buzzing.

“

Being at BESC is a wonderful experience. What makes it unique is its extremely well-equipped and student-friendly infrastructure and state-of-the-art facilities. BESC provides the best infrastructural support to a student, which makes me feel immensely grateful to be a part of it.

— Khushboo Kedia, Batch of 2021

## College Library — Knowledge Resource Centre

The library at BESC is stocked with books, periodicals, reference volumes and national and international journals covering all subjects of study offered at the college. The digitally enabled Knowledge Resource Centre is equipped with everything students and faculty need, conveniently available on campus in an air-conditioned, digitally connected space. The library also offers paid internships to students that gives them hands-on experience in library functionality and of working in a professional environment.

What makes the library at BESC stand out is that, apart from the innumerable books and journals, CDs/DVDs, newspapers and round-the-clock guidance and support from a very proactive library staff, is the availability of JStor and all the other digital library accesses that enable us to navigate research and academic papers from around the world. It is truly living up to its name—the Knowledge Resource Centre.

— Kashish Burman, Batch of 2021

## Smart Classrooms

The classrooms at BESC are technologically equipped to foster teaching and learning through the use of computers, specialised software, audience response technology, assistive listening devices, networking, and audio/visual capabilities, making classroom learning fun and interesting.

The college has spacious, fully equipped smart classrooms that have transformed the nature of classroom teaching. They enhance theoretical and conceptual learning through interactive sessions of case studies, assignments, quizzes and presentations by students. Practical assignments provide us knowledge beyond our textbooks and our lab is well-equipped with the latest equipment and software, making learning interesting, engaging, and motivating!

— Aastha Dalal, Batch of 2021

The institution provides modern and sophisticated teaching facilities that are constantly upgraded. Each department at the institute boasts of an array of highly advanced laboratories that are sufficiently equipped with the latest instruments and apparatus. The aim is to provide students a conceptual as well as practical understanding of the subject through hands-on training.

— Ramsha Tuba, Batch of 2021

## State Of The Art Laboratories

Our well-equipped and up-to-date laboratories encourage students to experiment, discover and put into practice what they have learnt in theory, whether it is physics, chemistry, computers, journalism and mass communication or film studies.

## Sports Arena

The well-lit 28,000 sq. ft, spacious and air-conditioned indoor sporting complex—the BESC Sports Arena—provides a host of options for students, from table tennis, pool and darts to carrom and chess.

### Take your pick from:

- Table Tennis
- Pool
- Chess
- Carrom
- Snooker
- Darts

## Take your pick from:

- Outdoor Badminton
- Basketball
- Five-a-side football
- Five-a-side cricket
- Volleyball

## Astro Turf

The Multipurpose Astro Turf in the college courtyard is perfect for several outdoor games like basketball, volleyball, badminton, indoor cricket and futsal.

## SEMINAR HALLS

BESC has four state-of-the-art seminar halls—Concept Hall, Jubilee Hall, Placement Hall and Society Hall—with a combined seating capacity of over 600 that are always busy with seminars, workshops and other college events.

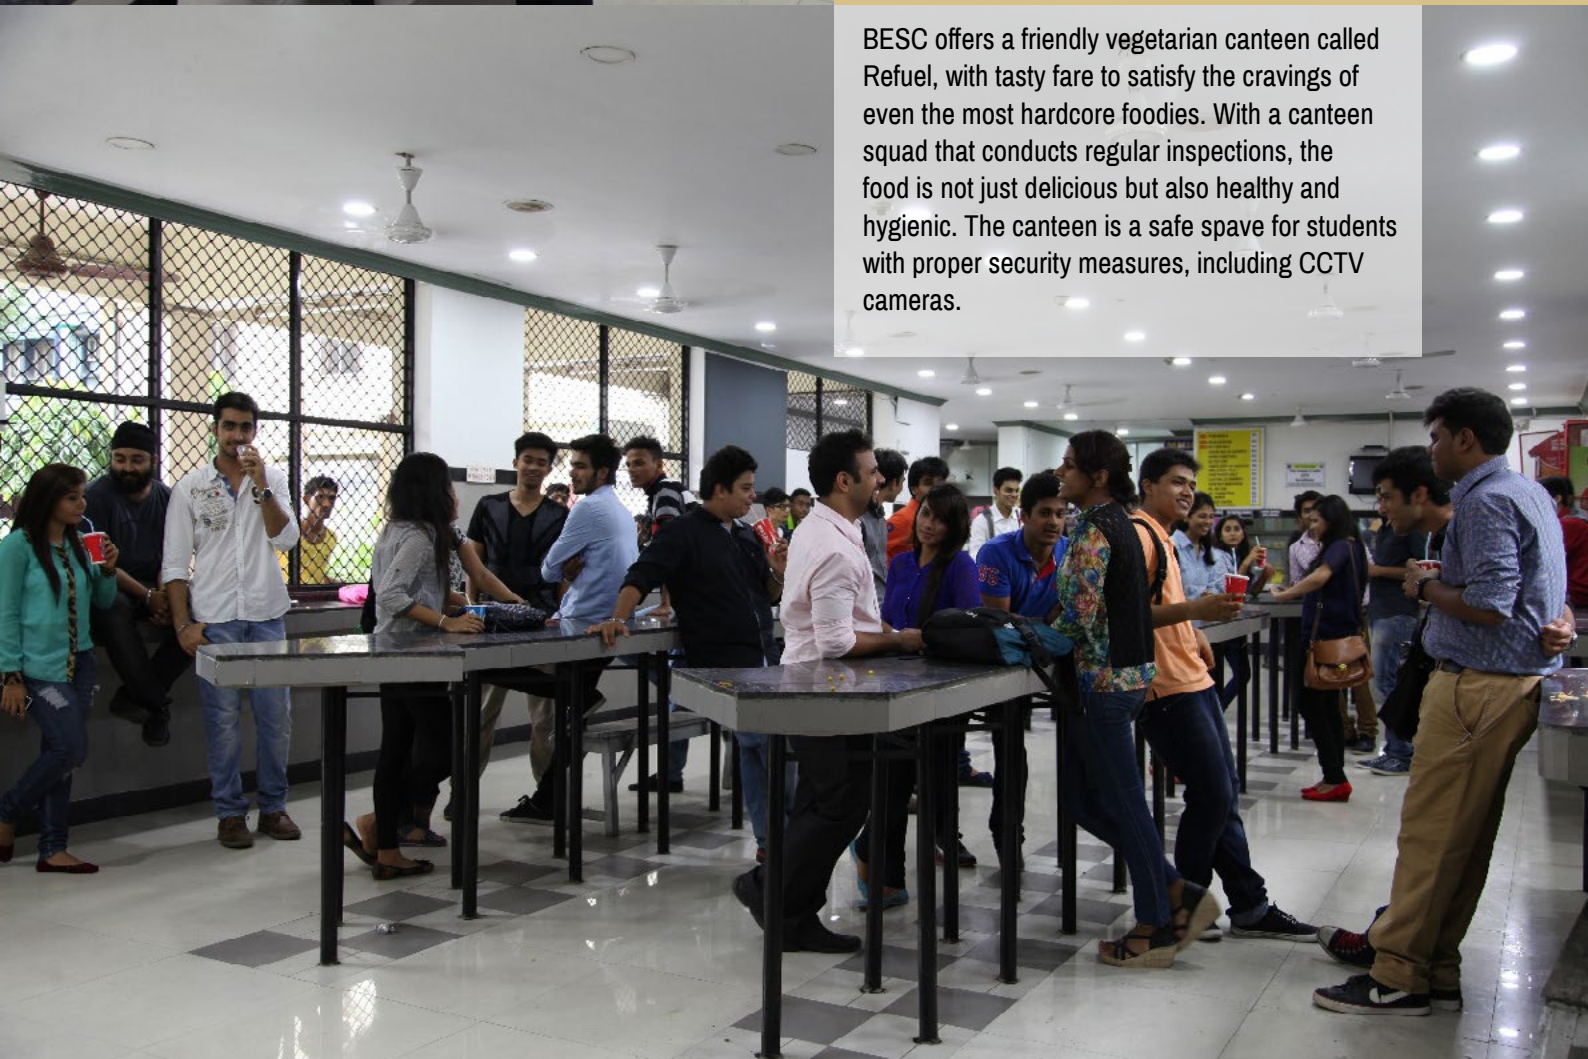

## Canteen

BESC offers a friendly vegetarian canteen called Refuel, with tasty fare to satisfy the cravings of even the most hardcore foodies. With a canteen squad that conducts regular inspections, the food is not just delicious but also healthy and hygienic. The canteen is a safe space for students with proper security measures, including CCTV cameras.

# CAMPUS LIFE

## World Of Collectives

There is never a dull moment on the BESC campus! With over 200 diverse activities to choose from during the academic calendar—all run and managed by the students of the college—including 19 Knowledge Circles, workshops, seminars, research opportunities, industrial visits, historical walks and fests, there is something for everyone. The vibrant campus life makes for a rich college experience that equips students to go out into the world with confidence and a wide range of skills and interests.

“

BESC has empowered me to take up leadership roles without batting an eyelid. I have grown tremendously, just by managing events and conducting workshops in the college. If I am asked to use only one word to summarise why BESC is the best college in the city, it would be 'Opportunity'.

— Yash Chamariya, Batch of 2020

”

# Knowledge Circles

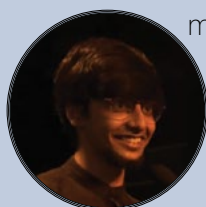

Extending BESC's philosophy of learning in and out of the classroom, students can choose from 19 Knowledge Circles ranging from dance, music to entrepreneurship, MUN, SETU, CII-Yuva, Leadership Training and more.

“

## BESC AON Model United Nations

BESC empowered me to take on leadership roles. Thanks to the AON collective, a world of diplomatic relations, the United Nations and state dialogues has opened up before me. It made me more aware, taught me the value of research and the finer nuances of putting forward one's point of view with subtlety and strength, and filled me with confidence.

— Swapneel Thakur, Batch of 2020

”

## YI-YUVA

A part of CII-YI wing and industry connect

“

The college recognises the fact that field trips and excursions are important for a student's development. The objective behind such visits is to close the gap between classroom lessons and the working environment. The BBA department organises industrial visits on a regular basis along with educational excursions to take learning beyond the four walls of the classroom. These activities supplement and enrich classroom learning and encourage new interests amongst us.

— Sakshi Dixit, Batch of 2020

”

## BEST

### Bhawanipur Entrepreneurship and Start-Up Training

“

BEST is all about providing business opportunities that encourage entrepreneurship and has helped me reach my goal of starting out on my own. It comprises mentorship programmes, factory visits and hands-on exposure to business environments that include business leaders talking about their experiences and sharing their knowledge with students. It helped me handle the pressure of being an entrepreneur.

— Shagun Agarwal, Batch of 2020

”

## Crescendo

### Music and Singing

“

Music, poetry, leadership qualities— BESC has honed my skills in every respect. Crescendo has transformed me into a better and more confident performer by providing me great exposure, literally giving me the stage to showcase my talents. I feel proud to be a BE-ite.

— Anjali Dubey, Batch of 2021

”

## Bull's Eye

### Stock Market Training

“

BESC Bull's Eye has given me the opportunity to start out in the stock markets by learning from the best in the industry and putting it to practical use.

— Suyash Agarwal, Batch of 2021

”

## Art in Me

### Drawing, Painting and Sketching

## Enact

### Theatre and Acting

“

Theatre brings a breath of fresh air to the monotony of our lives. I cannot imagine my life without theatre. All thanks to Bhawanipur Enact, which fosters a rich theatrical culture and has a gem of a team, I have learnt and grown immensely.

— Aditya Kumar, Batch of 2020

”

## Flames

### Bhawanipur Dance Club

“ BESC provides students a chance for holistic development. Other than knowledge, it gave me a platform to not only showcase my talent as a dancer but also improve my managerial and communication skills to become the best version of myself.

— Russian Bose, Batch of 2020 ”

## Students Share Skills Skills Sharing Platform

Students Share Skills is a platform where students can learn skills from one another. One can share their skills with their collegemates and pick up new ones from them, in a friendly atmosphere. and open up a new world of possibilities for themselves.

## Expressions

### Creative Writing and Photography

“ I was a writer and reporter for BESC. I ensured all my fellow students who demonstrated their talents and abilities on the campus got the recognition they deserved by writing about them in various communiques of the institution. In the process, I honed my skills as a writer and am now media-ready. Thank you, BESC.

— Nikita Mittal, Batch of 2021 ”

## Quizzard

### Bhawanipur Quiz Club

“ Quizzard has been one of the most interesting collectives in the college. It expanded the horizons of my knowledge and helped me develop overall. As a participant I learnt by observing my peers, embraced inquisitiveness that is research-backed and built my knowledge base, which now shows in my increased confidence.

— Shivani Bamalwa, Batch of 2020 ”

## ECO for BE-ites

### Economics, Finance & Data Analysis

Extend economic education beyond the classroom and touching the future of application through the realms of theory.

## Phenomenon

### Science Club

Exploring the science around us and nurturing technical skills with scientific theories.

## SETU

### Experiencing Different Cultures and Perspectives

Leadership development, cross-cultural global internships and volunteer exchange experiences.

## NCC

### National Cadet Corps

“

NCC helped me a lot in building my confidence and leadership qualities and improving my personality. At BESC, the NCC unit not only supported me but also gave wings to my dream of joining the Indian Armed Forces.

— Aditya Raj, Batch of 2019

”

## Fashionista

Fashion show, Ramp walking, Modelling

## UTSAV

Organising Indian Festivals

## NSS

### National Service Scheme

“

Being a member of the NSS was an enlightening experience. It not only helped me recognise the sufferings of the needy but also showed me the path to support them and to foster change. As a student, I am proud to be a part of the NSS collective and am happy that I made the right choice of being a BE-ite.

— Kishan Bagaria, Batch of 2020

”

## Vox Populi

Bhawanipur Debating Society

# NEVER A DULL MOMENT

## Seminars

“

BESC has played a vital role in grooming me and developing my personality simply with its vibe on campus and the buzz all around.

—Amna Aziz,  
Emcee & Anchor

”

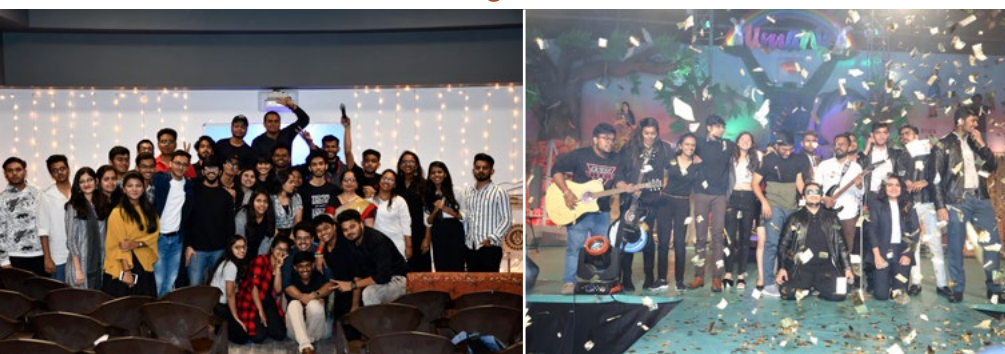

## Industrial Visits

## Workshops

## Inter & Intra College Fests

## Field Trips

## Educational Excursion

## Campus Sports

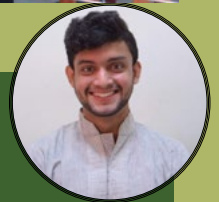

BESC has fostered a sports environment that matches international standards and provides a truly global experience to all our students.

The annual sports calendar of the college is choc-a-bloc with intra and inter-college competitions, including everything from American football to archery, badminton to boxing, hockey to horse riding, water polo to wrestling, cricket, football, kabaddi, judo, and much more.

“

Rubbing shoulders with the best improved my mental and physical relationship with the sports I love. Being in the cricket, basketball and tug-of-war teams with and against the best made me realise my worth and potential. Being a part of the sporting initiatives of the college was a dream come true and the honour of leading the department was a life-altering experience. Thank you, BESC!

— Shikhar Thanvi, Sports Head (2018-2020)

”

“

The sports department truly believes that sky's the limit. They strive to provide the best for the players and feel that creating proper infrastructure is a prerequisite for young sportspersons to flourish. It has been an incredible experience to be a part of the department.

— Tavishi Rupani, Table Tennis Team Captain,  
Batch of 2020

”

## Student Counselling

Student counselling services are provided by expert counsellors from Ummeed India. Student counselling focuses on individual counselling for social, emotional and academic enhancement.

In a brief span of time, the student, teacher and parents community have become very accepting of and responsive to counselling interventions. Most common areas of concern range from handling distractions, study skills, teasing and self-esteem.

Students may approach the counsellors for all kinds of psychological support.

Individual counselling is a completely confidential process and privacy will be strictly maintained under all circumstances.

“The modern-day education system is very demanding and it is important to maintain a healthy state of mind. Students face situations that can be very stressful, and those experiences can even change them forever. The counselling sessions helped me a lot. The counsellor encouraged me to speak my mind and helped me gain confidence to move forward when I was at my lowest. The guidance received was extremely valuable. The counsellors are always available to help you!

— Akshat Agarwal, Batch of 2022

## Anti-Ragging Policy

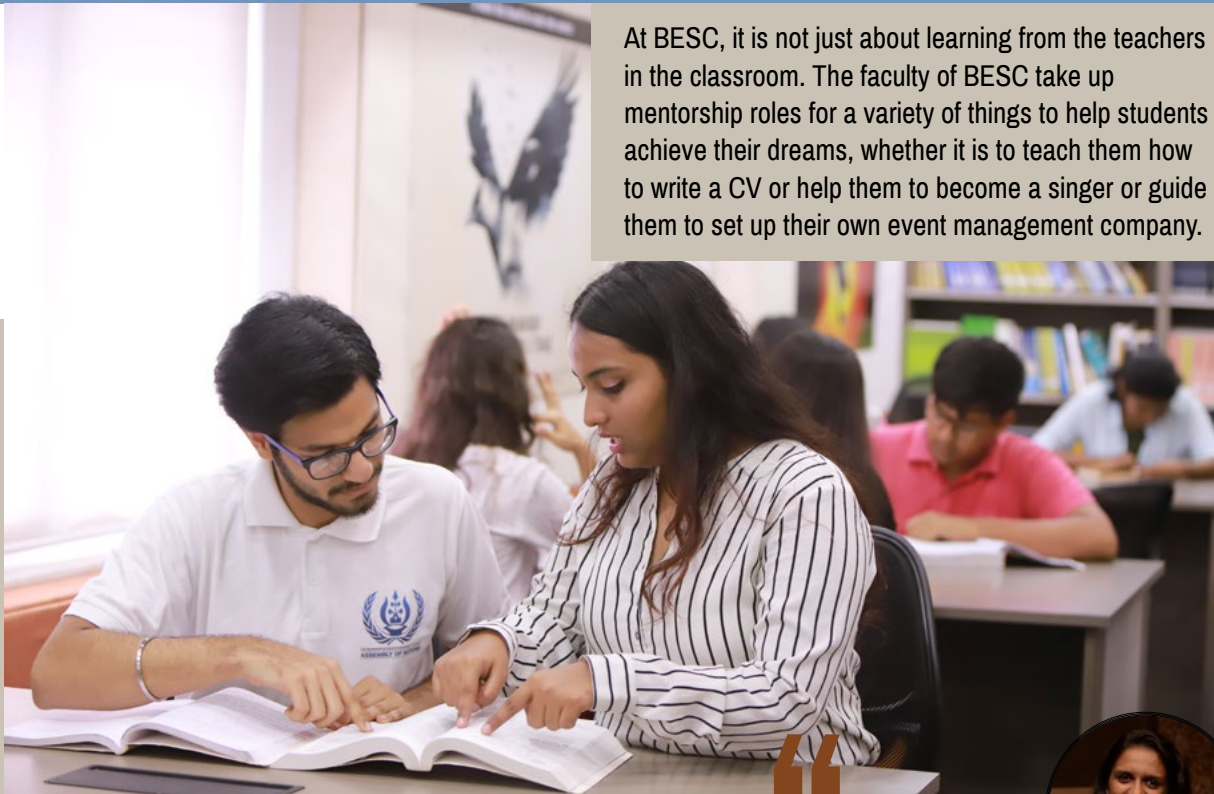

Ragging is against the BESC code of conduct. Any reports of ragging by students in or outside the college will not be tolerated and will result in stringent disciplinary action. All ragging incidents must be reported to the college authorities. Admission may be refused to students with a history of ragging, and any new incidents can result in expulsion.

The college also has an Anti-Ragging Committee and Anti-Ragging Squad to ensure that BESC is a bullying-free zone.

# Mentorship

At BESC, it is not just about learning from the teachers in the classroom. The faculty of BESC take up mentorship roles for a variety of things to help students achieve their dreams, whether it is to teach them how to write a CV or help them to become a singer or guide them to set up their own event management company.

BESC not only supported me in fulfilling my dream of becoming an event manager but also taught me the how's of going about it as we were given innumerable chances to conduct events hands-on. Be it the faculty, the management, the Dean's office or the alumni, the quality of support and guidance was always unfaltering.

— Jinal Shah, Batch of 2020

# PLACEMENT

BESC has enjoyed an extremely high placement record over the years from many top national and international companies. Every year, the Placement Cell draws recruiters from the likes of TCS, EY, PWC, Deloitte, Oracle, Axis Bank, KPMG and Indigo, to name a few. BESC students have been placed in Amazon, Ernst & Young, ITC Hotels, Cognizant, Byjus, Eureka Forbes, ICICI Prudential Life Insurance, Hoichoi, Indigo, Paisa Bazaar.com, Phone Pe and TCS.

In addition to handling placements, the Career Resource Centre ensures students are equipped with the skills and tips to shine in their interviews. It also builds skills to help in the transition from campus life to the professional sphere by organising seminars and workshops on entrepreneurship and leadership. Our counsellors are always at hand to talk with students about emerging trends in global and local hiring practices in the field of their choice.

The Placement and Development Cell of BESC is special in its own right. The Cell not only provides students with the exposure to internships for all and jobs for the graduating batch, but also helps them in their professional development, empowering them through a number of training programmes, seminars and workshops that are conducted by industry experts.

— Vedika Luhariwala, Batch of 2021

# ALUMNI

The BESC Alumni Association connects all members of the BESC family—alumni, current students, parents and friends—with the alumni community. You can get involved and stay connected with the alumni through its website: <https://college.thebhawanipuralma.org/>

# SOCIAL INITIATIVES

The BESC family believes in the spirit of service at all levels and strives to instil this spirit among its students and encourage them to contribute positively to society through various initiatives round the year.

## Blood Donation

Over 1,000 students of the college participates in the yearly blood donation initiative, which result in the collection of a record number of units of blood every year.

## Each Student Plant One

In August 2019, BESC undertook the biggest college-led tree plantation drive in Bali Island 2 in the Sunderbans, and was supported by the NGO Sustainable Green Initiative. Around 11,000 fruit-bearing trees were planted under the 'Each Student Plant One' programme.

## Independence Day Drives

On Independence Day, NSS volunteers distributed food packets to marginalised children at multiple locations across Kolkata.

This year they distributed Covid essential items such as masks and sanitisers to the girls, sisters and teaching and non-teaching staff of Rainbow Home and conducted a self-defence workshop there.

## Cleanliness Drives

Cleanliness drives were conducted by the NSS unit to clean the Bhawanipur area, with emphasis on proper disposal of plastic waste.

## Pratidhwani Project

The project, initiated by the NSS unit, focused on preparing audiobooks for visually impaired students in Kolkata. In December 2020, volunteers for the NSS unit went to the DF Blind School, Kabardanga, with the sample audiobooks and earphones for the students, who gave positive feedback about the initiative and encouraged them to complete the project.

## Covid-19 Relief

- To combat the shortage of blood during the Covid-19 outbreak blood and plasma donation camps were organised in collaboration with Project Life Force.
- The Bhawanipur Gujarati Education Society has vowed to sponsor the cost of the remaining years of education of BESC students who have lost an earning parent/s to Covid-19, along with support for further education.
- The college also organised a subsidised vaccination camp for students and a free camp for the staff and faculty of the college in June 2021.
- With the aim of ensuring free and faster access to vaccines for the underprivileged, the college has tied up with various organisations and are running multiple vaccination camps at the college free of charge.

## Reach Out

Reach Out team members have been giving their best to help Covid-19 patients with hospital beds, blood, plasma, oxygen cylinders, injections and medicines and have been successfully able to help more than 120 people.

## Ray of Hope

A carnival was organised by the NSS unit for over 200 underprivileged children who were gifted goody bags put together by the students of the college.

## Social Awareness Drives

NSS volunteers were at the forefront of events aimed at spreading awareness about social causes like Walk for Organ Donation, Walk for Cancer Patients, Women's Day Walk, awareness seminar on Air Quality Index, celebrating World Environment Day and more.

## All-round development on campus

Students in class; (below) school champions with the director general - departmental debate

The Bhawanipur Education Society College (BESC) is undoubtedly one of the most vibrant campuses in the city. The College runs graduate courses in commerce, arts, science and post graduate courses in commerce and arts under Calcutta University.

The BBA section of the college is in itself a case study, having unleashed a unique academic synergy led by Prof. Sumana K Mukherjee, a globally acknowledged economist and education leader. The BBA section of the institution is backed by state of the art infrastructure, digitised, dedicated classrooms that are wired to the future.

BESC has unleashed a quiet revolution by unfettering the students from classroom and

textbook oriented pedagogy. Students are exposed to real life situations and experts from respective domains. This is to help them turn their passions into profession, empowering them to make the transition from the academic campus to the commercial floor seamlessly.

The college organises seminars, workshops, factory visits and lectures aimed to hone innate skills. What really sets this college apart is "Limitless possibilities — to explore, collaborate and to challenge yourself".
