Implementation of e-governance in areas of operation

- 1. Administration**
- 2. Finance and Accounts**
- 3. Student Admission and Support**
- 4. Examination**

Policy Statement

The college is committed to taking a proactive step towards the adoption, implementation, and practice of a robust and efficient system of e-governance, to improve its efficiency, transparency, accountability, and accessibility.

Objectives

- To install an integrated, user-friendly ERP solution
- Implement e-governance in every function of the institution
- Promote transparency and accountability
- Achieve and create a paperless environment
- Provide easy and quick access to information
- Promoting efficient administration, cost control and effective and timely decision-making

The application of e-governance is incorporated in the following areas

❖ Administration

- The college authorities can implement full supervision of all service units in the office through the ERP software.
- The Administration communicates with Governing Body members as well as the teaching and non-teaching staff through email

RECOGNISED UNDER SECTION 2(F) & 12 (B) OF THE UGC ACT, 1956

- All-important administrative information including notices is regularly published on the College website.
- Office with 24x7 internet facility.
- To achieve the target of Paperless IQAC, committee members of it started using Google facilities like Google sheet / Google Docs / Google Forms.
- The college campus is equipped with CCTV Cameras installed at various places of need.
- A centralized electronic database stores and manages student records, including personal information, academic performance, and examination results.
- College uses social media and emails as an effective strategy to achieve the target of paperless communication within the college.
- Biometric with Face recognition attendance system for teaching and non-teaching staff.
- Salary records of Teaching and Non-teaching staff in Govt. approved and Governing Body approved posts are maintained through HRMS - IFMS and IPR respectively.

❖ Finance and Accounts

- The accounts of the institution are maintained through the Tally software and ERP
- The college has an e-governance system for financial management, including online payment of fees, electronic fund transfers, and digital receipts. The aim is to streamline financial processes, reduce paperwork, and enhance accountability.

❖ Student Admission and Support

- Student admission is paperless and online.
- Admissions & Fees Payments are carried out through the Students Module of ERP.
- The college has implemented an online admission system where prospective students can submit applications, upload documents, and track their application status.

THE BHAWANIPUR EDUCATION SOCIETY COLLEGE

A MINORITY RUN COLLEGE. AFFILIATED TO UNIVERSITY OF CALCUTTA
RECOGNISED UNDER SECTION 2(F) & 12 (B) OF THE UGC ACT, 1956

- The college utilizes digital tools, such as email, instant messaging, and online portals, to enhance communication and collaboration among faculty, staff, and students. These facilitate timely information sharing, discussions, and coordination of activities.
- Library has been fully automated with Green CAMPUS since 2015. This system assists in streamlining and helping the library staff, faculty, and students to get accurate information and data about the resources available to them.
- To improve the quality of the resources available in the library, the Green CAMPUS software generates various reports which are regularly studied to better understand the usage practices and this is used to further equip the facilities provided by the library.
- College website serves as the gateway to the college's online presence and e-governance initiatives. It is carefully designed to provide relevant and important information to visitors.

❖ Examination

- University Examination Form fill-ups are handled online through ERP.
- University Examination Roll Nos along with papers to appear are available online for quick reference of the students.
- Internal examination is also managed using ERP. Admit card and Room allocation for each student is done using ERP.

Annual E-Governance Report

From the year 2017- 2022

The Bhawanipur Education Society College initiated the policy for implementation of E-Governance in the area of Student admission and Support from the academic year 2011-2012 to accelerate college functioning & development in terms of speed, efficiency, & reliability.

The milestone of implementing a full-fledged E-Governance has been achieved in the year 2014 - 2015 in an integrated manner in the areas of Academics, Administration, Finance & Accounts, Admissions, Examinations, Library, Planning and Development, Student Support, and CCTV Surveillance throughout the campus.

Since that time, we have maintained & have constantly updated our processes as per the Student & Calcutta University requirements. It has been a consistent journey since the academic year 2014 – 2015 that we are following the E-Governance policy.

Areas of E-Governance implementation are as follows with the screenshot of the process and developments done as per the requirement.

Administration

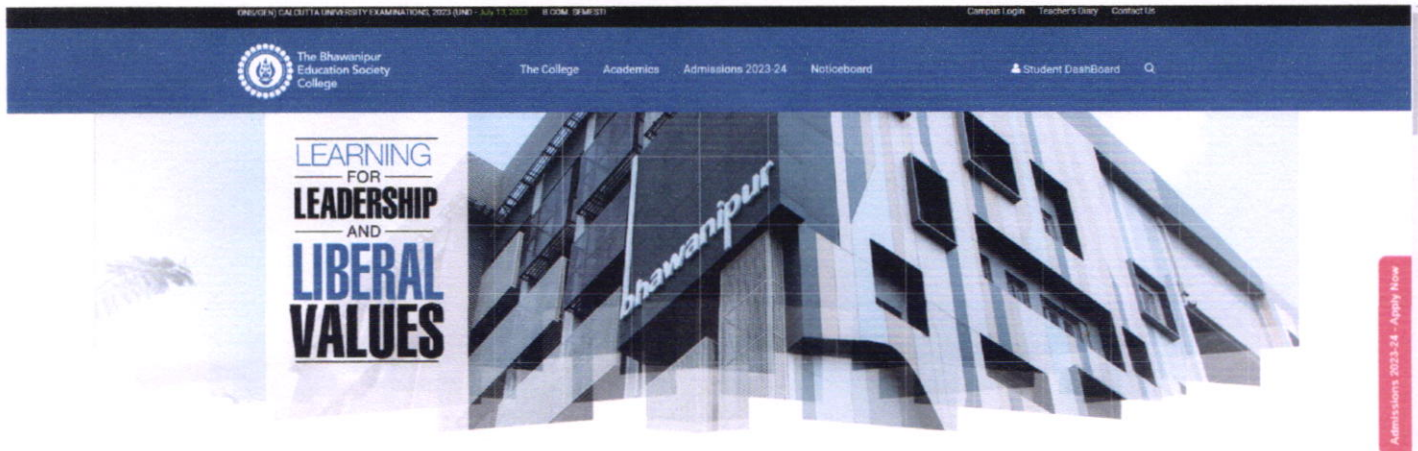

- Our website <https://thebges.edu.in/> provides all college related information and is updated as per the requirement. We have specific team assigned to update & maintain the website regularly.
- Attendance of all Teaching & Non-teaching staff are maintained through Biometric with Face recognition & watched by the administration & HR department periodically.
- The college campus is equipped with CCTV Cameras installed at various places of need.
- The Administration communicates with Governing Body members as well as the teaching and non-teaching staff through email.
- College uses social media and emails as an effective strategy to achieve the target of paperless communication within the college.
- College has 24x7 internet facility. For no or minimal disruption of the internet facility it is regularly watched by the IT team.

College Website

The Bhawanipur Education Society College

50+ years in pursuit of excellence

The Bhawanipur Education Society College was founded in 1966 with the motto "Education for Excellence" through the Bhawanipur Gujarati Education Society. Accredited by NAAC and affiliated to the University of Calcutta, BEC was created under Article 30 (1) of the Indian Constitution, which guarantees linguistic minorities, such as the Gujarati-speaking community in Kolkata, the right to establish and administer educational institutions of their choice. We started in 1966 with less than a hundred students, but in the decades since, BEC has strived to extend its motto to a truly diverse body of students, admitting eligible pupils regardless of linguistic, religious or regional backgrounds.

Established and administered by The Bhawanipur Gujarati Education Society. A minority-run institution. Affiliated to the University of Calcutta. Recognised under section 2(f) & 12(B) of the UGC Act, 1956.

Finance and Accounts

- Salary records of Teaching and Non-Teaching staff in Govt. approved and Governing Body approved posts are maintained through HRMS- IFMS and IPR respectively.
 - The accounts of the institution are maintained through the Tally software and ERP.
 - Payment of college fees is done through online mode & it provides digital receipts to the students
- This mode targets go green policy as the process is entirely paperless.

Student Admission and Support

- Admissions & Enrolments processes have been paperless since the beginning with the help of our dedicated ERP team since 2012
- The college has implemented an online admission system where prospective students can submit applications, upload documents, and track their application status.
- The college utilizes digital tools, such as email, instant messaging, and online portals, to enhance communication and collaboration among faculty, staff, and students. These facilitate timely information sharing, discussions, and coordination of activities.
- A student doesn't need to visit the college for any academic related information as all the required notice along with the process is uploaded on the college website regularly.
- College has also introduced dedicated helpline numbers in the year 2018 for any admission & enrolment related query which also has the WhatsApp chat facility during college hours.
- A control room for student with highly dedicated and technology driven team is available during working hours to clear if there is any doubt or query related to admissions , enrolment , examination or any others such requirements.
- Library has been fully automated with Green CAMPUS since 2015. This system assists in streamlining and helping the library staff, faculty, and students to get accurate information and data about the resources available to them.
- Well-equipped computer labs are available in the college for classes.
- Registration for College Fest , Events or workshops are also handled online since the year 2018 & no or minimal use of paper is done during any such activity.
- Student id cards has RFID system which was implemented in the year 2018 for quick and hassel free process while they are there in the campus.

Examinations

- Prior to the year 2018 , Calcutta University Examination form fill up use to happen manually of the forms circulated by the University itself , But after the change in the policy of form fill up process by the Calcutta University we equipped us with the online form fill up process since 2018.
- Internal examination is also managed using ERP since the beginning. Admit card and Room allocation for each student is done using ERP.
- University Examination Roll Nos along with papers to appear are available online for quick reference of the students on a specific portal.
- During Covid 19 period we successfully implemented the online examination process & there was a dedicated examination team which helped the students in understanding the completely new process. There were helplines & dedicated e-mail ids which were helping students in giving the online exams.
